

Tuesday Afternoon

Darling, you're lost but I know that you soon
will be found in yourself
and then you'll go your own way

Aaaaaa..... mind will saaaay

Mind and soul talks to me

Look at the world, all those people around
what on earth have they found
that make them keep going on?

Aaaaaa..... you have found,
found what you have found
what you have found

It's Tuesday afternoon
Shining on the world today
All those people passin' me by outside
They won't hide their love away

BASAR
