

Tuesday Afternoon

Sopran

Darling you're lost but I know that you soon will be found  
in yourself and then you'll go your own way  
I hope that I always will stand by your side  
When you're dazed and confused  
'bout what your mind will say

Your mind and soul talks to me

Look at the world, all those people around what on earth have they found  
that make them keep going on?  
Don't dig to deep, you hit stones that punch holes  
in your innocent soul, now look what you have found

Found

What you have found

It's tuesday afternoon  
and the sun has been shining on the world today  
All those people passin' me by outside  
they won't hide their love away

BASAR ....
