

Love Is All Around

Bas

Do do do do do do do do do do do do
Do do do do do do do do do do do do

(Sopraner I feel it in my fingers, I feel it in my toes)

I feel it in my, in my toes
Well, love is all around me, and so the feeling grows.
And so the feeling, the feeling grows.
It's written on the wind, it's every where I go
It's every where I, where I go
So if you really love me come on and let it show.
Come on and let it, let it show

You know I love you, I always will
My mind 's made up by the way that I feel.
And so there's no beginning there'll be no end
Cause on my love you can depend

I see your face before me, as I lay on my bed.
Lay on my bed
I kinda get to thinking of all the things you said.
You, things you said.
You gave your promise to me and I gave min to you.
You gave you promise, I gave min
I need someone beside me, in everything I do
Someone beside me, Yes I do

You know I love you, I always will
My mind 's made up by the way that I feel.
And so there's no beginning there'll be no end
Cause on my love you can depend

Do do do do do do do do do do do do
Do do do do do do do do do do do do
Doooooooo
