

## Guilty Of Love

## Alt

Na nananana nanana nanana nanana nanana  
Nananana nanana nanana nanana nanana

I believe my love for you is a love that will last forever  
Uuuu uuu uuu u  
Baby don't you believe when I tell you I love you and I really, mean it?  
Uuuu uuu uuu u

I'm guilty of love.  
So guilty of love, it's a crime of passion,  
Guilty of love. So guilty. And there's no doubt about it.  
Guilty of love, I'm guilty of love, I'm guilty in the first degree.  
Guilty of love, I'm guilty of love, I'm guilty in the first degree.

Na nananana nanana nanana nanana nanana  
Nananana nanana nanana nanana nanana

I can never forget the times when I took what you gave me for granted.  
Uuuu uuu uuu u  
You can lock me away if you want, just as long as your arms are around me,  
Uuuu uuu uuu u

I'm guilty of love.  
So guilty of love, it's a crime of passion,  
Guilty of love. So guilty. And there's no doubt about it.  
Guilty of love, I'm guilty of love, I'm guilty in the first degree.  
Guilty of love, I'm guilty of love, I'm guilty in the first degree.

Guilty of love. Weuw!  
Guilty of love. Weuw!

Na nananana nanana nanana nanana nanana  
Nananana nanana nanana nanana nanana

I'm guilty of love.  
So guilty of love, it's a crime of passion,  
Guilty of love. So guilty. And there's no doubt about it.  
Guilty of love, I'm guilty of love, I'm guilty in the first degree... 8 gånger
