

Guilty Of Love

Damtenor

Na nananana nananana nananana nana
Na nananana nananana nananana

I belive my love for you is a love that will last forever
Uuuu uuu uuu u
Baby don't you belive when I tell you I love you and I really, mean it?
Uuuu uuu uuu u

I'm guilty of love. I'm guilty, so guilty of love,
Guilty of love, I'm guilty, so guilty. And there's no doubt about it.
Guilty of love, guilty of love, I'm guilty in the first degree.
Guilty of love, guilty of love, I'm guilty in the first degree.

Na nananana nananana nananana nana
Na nananana nananana nananana

I can never forget the times when I took what you gave me for granted.
Uuuu uuu uuu u
You can lock me away if you want, just as long as your arms are around me,
Uuuu uuu uuu u

I'm guilty of love. I'm guilty, so guilty of love,
Guilty of love, I'm guilty, so guilty. And there's no doubt about it.
Guilty of love, guilty of love, I'm guilty in the first degree.
Guilty of love, guilty of love, I'm guilty in the first degree.

I'm guilty, so guilty
I'm guilty, so guilty
I'm guilty, so guilty
I'm guilty, so guilty

Na nananana nananana nananana nana
Na nananana nananana nananana

Guilty of love. I'm guilty, so guilty of love,
Guilty of love. I'm guilty, so guilty. And there's no doubt about it.
Guilty of love, guilty of love, I'm guilty in the first degree... 8 gånge
