

Lovely Day

Sopran

When I wake up in the morning, love  
and the sunlight hurts my eye,  
and something without warning, love,  
bears heavy on my mind.

Then I look at you and the world's allright with me (Uuu)  
Just one look at you and I know it's gonna be a lovely day

a lovely day, a lovely day, a lovely day

When the day that lies ahead of me  
seems impossible to face,  
when someone else instead of me  
always seems to know the way

Then I look at you and the world's allright with me (Uuu)  
Just one look at you and I know it's gonna be a lovely day

a lovely day, a lovely day, a lovely day

a lovely day, a lovely day, a lovely day, a lovely day

Such a lovely day!
